Dear Parents of Year 5

National Space Centre Trip

We are delighted to announce that we are to visit the National Space Centre in Leicester to support our topic in class.

This trip is planned for Monday 9th November 2026 and the cost for the coach and admission is £29.64 per child. We hope you appreciate that hands on learning in museums really brings our classroom learning to life!

The children will visit the museum and take part in their Astronaut session. Our school has visited many times; the children find it fascinating.

We shall be leaving by coach promptly after morning registration so we will ask children to be in school as normal. We return to school for 3.30pm. Children are required to wear their school uniform. They will also need a packed lunch with a healthy morning snack. Please provide sufficient water to drink throughout the day.

Payment for the trip is to be made on the Arbor Parent Portal, this will also give consent for your child to take part. May we please request all monies are paid by Monday 2nd November 2026. *The School Forum charging policy applies but if we do not receive sufficient contributions this trip may be cancelled.*

Yours sincerely

Mrs Lesley Middleton
Principal

'Train up a child in the way they should go, and when they are old they will not depart from it.'
Proverbs 22:6
