Safeguarding

Our school is committed to safeguarding and promoting the welfare of all children. We have a child centred and co-ordinated approach to safeguarding. Consequently, safeguarding and child protection is at the forefront of everything we do. We ensure systems are in place that are well promoted, easily understood and easily accessible for children to confidently report any form of abuse or neglect, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

Worship

Key Bible verse: Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. Hebrews 12: 1-2

What is perseverance: – What does it mean to endure? What makes endurance hard? Who helps us? What thoughts make endurance easier or harder? Can anything positive come out of something hard?

Watch rebuilding Jerusalem- a time to build. [God's Story:Nehemiah - YouTube](#)

Key message: People of Israel have lived through some rough times. Hundreds of miles from home and working as slaves. This is the story about a chance to return home. It can be hard to finish a task that takes a long time. Especially when others tease us. Nehemiah encouraged the people to keep going.

Train up a child in the way they should go and when they are old, they will not depart from it. Proverbs 22:6

Come and join us on Friday 25th September at 9.00am until 10.00am in our school hall.

We are holding a coffee morning to raise funds for this charity and your support and cake/biscuit donations would be very much appreciated.

Cakes can be dropped into school on Thursday or Friday morning, thank you!

Our KS2 School Council will be our servers, any cake items left over will be available to purchase by parents/carers at 3.30pm on the playground.

Scooters and Bikes

It has been lovely to see so many children arriving at school on their bikes and scooters this term. It is fantastic to see children enjoying an active journey to school!

Just a little reminder that, for everyone's safety, children must dismount from their bikes and scooters before entering the school grounds. Once inside the grounds, bikes and scooters should be walked to the designated bike storage area.

Thank you for helping us to keep our school entrance safe and calm for everyone, particularly at busy drop-off and collection times. We really appreciate your support.

Governor—Forum

We are looking to recruit a new **Parent Forum Member (formally known as a School Governor)** to join our supportive, caring and dedicated team.

Being a parent forum member is a wonderful opportunity to become more involved in school life and to help contribute to the continued development and success of our school.

You do not need to have any previous experience of being a governor — what matters most is that you are enthusiastic, willing to contribute and have an interest in supporting our school and its community.

If this sounds like something you would be interested in, or you would simply like to find out a little more about what the role involves, please pop in and have a chat with Lesley. She will be very happy to answer any questions you may have and provide you with further information.

We would love to hear from you!
