On Monday, our Year 6 Girls Tag Rugby team took part in a Skills and Matches festival at Brooke Weston school. The team completed various drills that allowed them to practice the key skills of Tag Rugby before taking part in three matches against other schools. I am delighted to say that we won all three of our matches with the try scoring being shared across the team. The effort and teamwork shown was of the very highest quality. Well done Team Weldon!

Key Bible verse: Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. Hebrews 12: 1-2

**Key Message:** There are always reasons to give up on the goals we set ourselves - reasons to be tempted not to stay on task. The ows. It happened to Jesus, too. He knew that God wanted him to rescue the world from all that was bad, but he was tempted to use God's power to do things for himself instead.

## Fundraising Events

Last year we had a very busy and successful Parents, Friends and Teachers Association (PFTA), but due to their own family and work commitments the committee have now all stepped down. School staff (Team Weldon) will now take over the organising of events and will reach out for helpers through our newsletters.

Huge thank you to our PFTA for donating £2,000 towards reading books for our whole school to enjoy in their English curriculum. This was from money raised last year so thank you for supporting our PFTA.

Also thank you to every parent/carer who helped us get the **TESCO** blue tokens grant monies. We got awarded £1,000 and have ordered a reading shed for our playground and a sensory den for indoors.

This week, the children in Year 3 were delighted to receive their own Bibles, presented by Rev Newton. The Bibles were kindly donated by St Mary's Church.

The children were very excited to start reading and couldn't put their new Bibles down! It was lovely to see their enthusiasm and curiosity as they explored their new books.
